

## *MS Dream Center*

November 2021

Dear Friend,

In our 2020 annual appeal letter I asked that “you consider sending a donation of any size to help us continue our work, by helping us continue to keep the dream alive.” A big “Thank You” goes out to each of you who have allowed us to do just that. The pandemic has not stopped us from continuing our mission to improve the lives of those with MS, their families, and friends.

Thanks to an overwhelming response we are back on track, offering more programs than ever before, and seeing to it that our national virtual program is continuing to thrive. To date we have 36 states and Canada enjoying the exercises, group discussions, art classes, book club, occupational therapy classes, even virtual Reiki and drug company seminars. The fact that we offer both in person as well as virtual programs simultaneously five times a week is something of which we are extremely proud.

None of what we do would be possible without the generosity of our sponsors, fundraisers, and the financial support of hundreds of donors. We take nothing for granted and can only express our gratitude.

If you would like to make a donation, please send it to: MS Dream Center, P.O. Box 20185, Cranston, RI 02910.

Sincerely,

Marie Perna  
Executive Director, MS Dream Center
